

Joseph K. Walker
Senior Vice President, Sales and Marketing
Gulfstream Aerospace Corporation

As Senior Vice President, Sales and Marketing for Gulfstream Aerospace Corporation (NYSE: GAC), Joe Walker is responsible for all new and pre-owned aircraft sales including completion sales and corporate marketing activities. Walker was appointed to his current position in December, 1998.

Walker joined Gulfstream in 1995 as Vice President, North American Sales and was most recently Senior Vice President, International Sales. Prior to joining Gulfstream Walker was Vice President of Worldwide Sales for Cessna Aircraft Company where he was responsible for overseeing overall domestic and international sales of the Cessna product line.

Walker began his career as an Aerodynamicist and moved to sales progressing through a series of increasing responsibilities.

A type rated pilot, Walker received a Bachelor's degree in Aeronautical Engineering from Wichita State University and a Masters Degree in Business Administration from California State University, Sacramento.
